# FOURTH GRADE

Hafa Adai parents and students! We hope that you are all well and safe. It has been a very busy 1<sup>st</sup> quarter so far and we would like to commend both students and parents for keeping up with assignments, despite the challenges. We are always here to support you. Just give us a call, send us a text or email us if you need our assistance.

Just a few reminders, if you haven't read and completed the student information form, media consent form (which were in the 4<sup>th</sup> grade syllabus), and the education technology use form, please do so as soon as possible and submit them to your teacher. Also, if you did not get to pick up your progress reports, please let your teacher know. Distribution of hard copy packets are every Friday, from 9 am to 12 pm. Please visit our 4<sup>th</sup> grade website for additional information at: <http://bit.ly/MAUES4th>

Thank you for your continued support. Have a great day! From your partners in education, 4<sup>th</sup> Grade Team.

# FIRST GRADE

The First-Grade teachers want to give a shout-out to all our parents who are working hard to ensure that their children are doing their work and submitting it on time! We know it's a challenge to juggle all your responsibilities so we want you to know that we appreciate you very much!

This quarter started with a review of kinder skills and ways to prevent the spread of COVID-19. Then, we moved on to the 1<sup>st</sup> quarter priority standards which are:

Reading: Digraphs

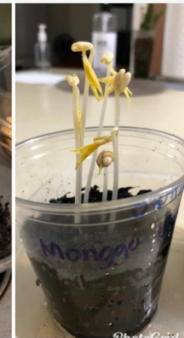

Language: Printing upper- and lowercase letters

Math: Numbers to 50; Comparing 2-digit numbers.

Social Studies: Being a good citizen

Science: Plants

Here are pictures of one of our plant experiments to see what plants need to grow. The plant on the right did not receive any sunlight. The stems are pale and the leaves are yellow. The plant on the left is a healthy green as it was placed in the sunlight. Other seeds were planted in Cheetos, crushed Oreos, egg shells, and paper towels. Some were watered with orange juice and soda pop or not watered at all. These seeds did not grow.

In October, we will begin our 2<sup>nd</sup> quarter priority standards which are:

Reading: Retelling stories

Language: Nouns

Math: Numbers to 75; Add and subtract within 20

Social Studies: Government Leaders

Science: Animal Adaptations

# THIRD GRADE

Hafa Adai, third grade families. The past month have been busy for all of us. We'd like to take this opportunity to recognize our superhero parents and guardians for working diligently with their child in completing their learning packers. It is a challenging time, but we will all get through this together.

Please write your child's name and room number on their learning packets. As much as possible, return packets with their folders so that the folders can be given to your child's teacher. Also, return student information and media release to your child's teacher.

Visit our 3<sup>rd</sup> Grade website for additional information at <https://sites.google.com/gdoe.net/maues-thirdgrade/home>.

## to Second Grade

### Hello Parents & Students!

We are so excited to have all of you join us this school year whether you are a hardcopy student or attend class with us online. We want you all to know that we are going to make the most out of everything and have a fantastic school year! If you have any questions or concerns, please contact your child's teacher.

#### Here is what we are learning this quarter:

**Reading:** 2.RL.1 Ask and answer such questions as who, what, where, when, why, and how to demonstrate understanding of key details in a text.

**Language:** 2.L.2 Demonstrate command of the conventions of standard English capitalization, punctuation and spelling when writing.

**Math:** 2.NBT.1 a/b Understand that the three digits of a three-digit number represents amounts of hundreds, tens, and ones. e.g., 706 equals 7 hundreds, 0 tens, and 6 ones.

**Science:** NGSS 2-LS4-1 Make observations of plants and animals to compare the diversity of life in different habitats.

**Social Studies:** GDOE 2.4.1 Define and give examples of the responsibilities of a good citizen.

## FIFTH GRADE

Welcome to our first newsletter for this school year 2020 -2021. It is, no doubt, the most challenging school year because everyone has to adapt to the "New Normal" way of teaching and learning lessons.

For now, students are either learning via online or hard copy. Face to Face is no longer an option due to an unfavorable condition regarding Covid 19. For online mode of teaching, we currently have about 25 students participating, and the rest of the students are on hard copy mode of learning. We are encouraging every parent to wisely choose either an online or a hard copy mode of learning.

Communication between you and us is also important because, together, we want to be able to monitor your child's progress effectively. Email us or call the school if you have any concern about your child's schooling. Remember, we are here to help your child succeed in his/her education.

## ESL

Hafa Adai,

If your child has received a Notification of Eligibility for English as Second Language, please respond and return ASAP. I have emailed them to your child's email address or provided a hardcopy. If you have any questions or concerns regarding our program, please email me at [cfquiambao@gdoe.net](mailto:cfquiambao@gdoe.net) with your best contact number and I can call you to further explain in detail. Those who have returned their forms, thank you!

We have distributed lesson packets to our ESL student's please return when completed. Please don't forget to write your First and Last name, Grade, and Homeroom teacher on top of the worksheet. For those of you who have access to the internet, you may also email your worksheets to [cfquiambao@gdoe.net](mailto:cfquiambao@gdoe.net) (1st & 2nd grade students) or [gpdegayo@gdoe.net](mailto:gpdegayo@gdoe.net) (3rd - 5th grade students).

#### Literacy Tip of the Week

Point to the words on the page as you're reading. Pre-readers and early readers can more easily follow along and know when to turn the page to build reading confidence.

## G.A.T.E.

Thank you parents and students for your cooperation this school year! It's definitely a learning experience for us ALL! Most of our GATE students have been consistently participating with our weekly Google Meets! We've been engaging in different creative and critical thinking activities online. Thank you also to those parents who have been consistent in Picking Up and Dropping of Hard Copy Learning Packets. Please continue to keep safe!

# CHAMORU

Håfa Adai Famagu'on yan Familian Karabao! (Hello Carabao Children and Families!)

Although we are not able to see each other in person, your Chamoru teachers are working very hard to reach out to all of you to spread some Chamoru Cheer!

We miss being able to connect with you in person, so keep those hard copy and digital assignments coming! We love hearing from you!

If you have not been able to receive or submit assignments, here are some tips:

1. Contact the school to choose a model of learning: Hard Copy OR Online. Hard copy students would pick up and drop off their assignments every Friday.
2. Sign up for Class Dojo and add your child for the latest updates on Chamoru class.
3. Have your child log in to their Chamoru Google Classroom with their GDOE email accounts (see homeroom teacher) for access to all of the activities. Please submit online assignments through Google Classroom.
4. Have your child log on to our weekly Chamoru Class Meetings through Google Meet (link found in Google Classroom) **every Friday:**

9:00 - 9:30	2nd Grade
10:00 - 10:30	3rd Grade
10:45 - 11:15	4th Grade
11:30 - 12:00	5th Grade
12:45 - 1:15	Kindergarten
1:30 - 2:00	1st Grade

5. Email the Chamoru teachers for assistance:

- Siñorita A. Posadas [artposadas@gdoe.net](mailto:artposadas@gdoe.net)
- Siñot S. Perez [sptperez@gdoe.net](mailto:sptperez@gdoe.net)
- Siñorita J. Mantanona [jsmantanona@gdoe.net](mailto:jsmantanona@gdoe.net)

Let's all try to have a positive school year! Fanhasso Famagu'on! (Remember kids!) Na'såfu hao! (Be safe!) Saina Ma'åse!

# LIBRARY

Hello, Carabaos! If you haven't already done so, please join your Virtual Library Classroom in Google Classroom. An invitation to join was sent on September 11 to your email (students). It is a different way to have library class and I look forward to having you join your library class. All students are in the online class together by Grade Level. In our online classroom students with their parents' help can expect to find story read alouds, simple lessons to do together, fun activities, links to useful resources, our library website link, worksheets and more which will be found in the CLASSWORK tab (at the top of the online class page) throughout the upcoming weeks.

My ultimate goal is to continue to empower learners and to support students' learning as they transition to online learning by providing mini library and technology skill lessons and resources during our distance learning. Stay safe and Happy Learning!

**Håfa Adai Carabao Family!** We miss you and hope that

you are enjoying our monthly mindfulness activities. Please don't forget to check your student email because we sent out an invitation to all students to join our Google counselor classroom. Please keep an eye out for our announcements on Class Dojo or on our Counselor website. Anyone with internet access can visit our website. Here is the link:
